THE HUDDERSFIELD

CENTRAL CRICKET LEAGUE.

Grounds and Umpires for Finals of the Championship.

A meeting of the Huddersfield Central Cricket League was held at the Railway Hotel, Shepley, on Thursday, when the grounds and umpires for the final games in the championship were decided upon.

The teams who are to meet are Shepley and Penistone Netherfield (first elevens) and Thongsbridge and Cumberworth (second elevens). It was resolved that the match between Shepley and Penistone Netherfield should be played on the Skelmanthorpe ground on September 19, the umpires to be Messrs. Lockwood (Thurstonland) and Beever (Nortonthorpe), and that the second team match between Thongsbridge and Cumberworth should be played on the Thurstonland ground on September 19, the umpires to be Messrs. Hargreaves (Rowley Hill) and Holmes (Clayton West). In both cases it was agreed that the time of the start should be 2-15 p.m.

The Secretary reported that an application had been received from a local cricket club to join the League for the season 1926.

It was reported that the gross "gate" at the Tinker Cup final, in which Shepley and Cumberworth took part, had amounted to £21 1s. 7d.—a record sum—and the net proceeds to £19 3s. 7d.
