

## Davies hoping for good turnout

Organiser Peter Davies is hoping for a good turnout when the heritage of cricket in Halifax and Calderdale goes under the spotlight at the Pennine Cricket History Conference at the University of Huddersfield on Saturday.

Speakers include Malcolm Heywood (Todmorden CC), Alan Stuttard (Walsden CC) and Tony Hutton, co-author of 'Off The Beaten Track: Three Men and a Cricket Season'.

"The last three conferences have been very well attended," said Dr Davies.

The free event - to be staged in the Castle Hill Suite - starts at 10am and runs until 4pm.
