Dear Sir,

We would be pleased to re-cover the whole of the roof of the Cricket Pavilion with Green Mineral Surfaced Roofing Felt at a total cost of £ 23. 0. 0. Alternatively, a cheaper form of green felt is available, without the mineral surface. Using this will save £ 6. 0. 0. of the above cost.

Trusting this will meet with your approval.

Yours faithfully,

p.p. ALBERT BALMFORTH.
