

### **Matthew Kermode on Lightcliffe CC and a few famous names**

I played for Lightcliffe CC for five years. I struggled to break into the seniors, after being scorer for four seasons, but I was part of the very successful Under-17s team during the mid-1990s.

Our side included former Yorkshire players Gary Fellows and Alex Stead, and also Worcestershire and Derbyshire wicketkeeper James Pipe.

A fact you may find interesting - James Pipe (above) once took five wickets in a game at Pudsey when we had a shortage of bowlers, I took three of the catches.
