

herein wait for Stainland, but a total of 90 was insufficient for Sowerby Bridge, who passed that total, not, however, before they had lost eight wickets.

Providence had a bad time of it on Saturday. In this case the Providence alluded to is a Leeds club entered in the North and East Leeds Licensed Victuallers League. Opposed to General Peel, the whole eleven of them were disposed of for five runs! One chap got four, Mr. Extras a single, and ten men consoling each other with a "duck" each. This recalls how the all-powerful Dewsbury club was disposed of a few years ago for two runs.
