### Vote of Thanks to Retiring Officers

The Andrew Lambert proposed a vote of thanks to the retiring officers. He commenced by saying that this was a moment of unique importance & marked the end of 35 years of loyal & dedicated service by the Secretary of this great club, probably never to be equaled, also years service by our Chairman which in itself is a rare feat not only for his work as Chairman but also as General factotum & groundsman & finally the retirement of our excellent Treasurer Mr Williams, who has looked after our financial affairs with efficiency & honesty.

He found it difficult to imagine the club without the guidance & involvement of these 3 officials, & completed his vote of thanks by expressing a sincere best wishes & gratitude to these retiring officers. A standing ovation was rendered by all members present.
