A close-up photograph of a stone wall. The wall is constructed from rectangular stones in shades of tan, beige, and light brown, with visible mortar joints. Two rectangular plaques are embedded in the wall. The upper plaque is larger and contains the text 'Todmorden Cricket Club' in a dark blue, serif font. The lower plaque is smaller and contains the year '1998' in the same font and color. The lighting is even, highlighting the texture of the stone.
