

SUSSEX V YORKSHIRE

12 JUNE 1884

Place: Fartown cricket ground

There were numerous spectators for this game, they assembled at St. John's ground in Fartown.

Sussex won the toss just before it started at 2.15. The team players kept doing good as they hit the ball numerous times.

Some of the star players were Ellis, Tester, Ulyett and Peel.

Sometimes they hit the ball with a 1 for 14 or sometimes 4 for 110, things I don't even know.

Then they finished for lunch and at this point I haven't a clue who's winning.

After some intervals and lots of hits of the balls, everyone thought Yorkshire had won, but let's have a look at the final score:

Sussex first innings - 130
Yorkshire first innings - 160
