

Memories of Fartown

***Based on the letter by local
cricket supporter Tony Hutton***

One match remained in my mind,
Beginning my lifetime craze,
Yorkshire vs. Northants, Len Hutton for
runs,
Wickets meant roaring praise!

Needing 167 runs,
Reaching out for the win!
Hutton 100, Haliday 61,
Len Hutton you are my king!

Another game,
Another star,
Brian Close emerged,
My craze went far.

A few more games,
Obsession again,
Boycott, Hirst, Rhodes & Haigh,
Four brilliant, inspiring men.

This sport is my passion,
I savour every wicket,
I love the cheers when we score,
Thank God for cricket!
