

THANK YOU!

The Heritage Lottery Fund and the
Community of Supporters for Heritage
2010 Project

- The Nottingham Evening
- The Journal for raising the Exhibition
- Members of Clayton West C.C. for helping us research and prepare the Exhibition

- Everyone who has had a role in the Project so far: league officials who have given us their support, staff and supporters who have assisted us with official identity and publicity, club members who have published the Project in their 1960s and 1970s, the public who have donated memorabilia and money, and any other people. It is much appreciated.
- Everyone who has visited the Exhibition
- The sponsors of their first team and the current team of Clayton West C.C. in the Exhibition. The Project and Exhibition are non-profit-making activities.
