Dear Mr Wynne,

Bradshaw Cricket Club.

I have today, been over to Bradshaw to have a look at the new practice wicket. Mr Akroyd showed me round your very lovely ground and I have just sent off a letter to the National Playing Fields Association recommending payment of their promised grant, as soon as possible.

I have pleasure to enclose a copy of our Annual Report for the interest of your committee. My Association would be very pleased to welcome Bradshaw C.C. as members. We rely entirely upon voluntary contributions for our existance and we should be most grateful if your Committee would consider making an annual subscription to enable us to help other clubs in need of our assistance.

Yours sincerely,

Faith Eyres

Secretary
