The secretary said problems had risen with juniors misbehaving on the ground, there had been also a case of foul language to Sue Thornhill.

Ray said he would get all the juniors together on Wednesday and talk to them about the matter.

The brewer wagon had come through the ground the "back" way causing damage to the track. It had also run off the track near Mappell's green house. Damage had been caused to the 600 mesh. The secretary said he would write to the brewer.
