

## Cricket fans go on pub crawl

**CRICKET fans in Golcar bowled over the regulars in the village pubs and clubs at the weekend.**

About 50 members and supporters of Golcar Cricket Club staged a musical pub crawl to raise several hundred pounds for the club's massive development programme.

The drinkers visited 13 pubs and clubs throughout the village in a 2½-hour innings, accompanied along the way by members of Golcar Youth Band.

Many of the crawlers turned up in fancy dress and collections and raffles were held along the way.

Club treasurer Mr A Holmes said it was hoped to give some money for charity.

Mr Howard Palmer, the chairman of the Huddersfield and District Muscular Dystrophy Group, receives the cheque. Mrs Palmer presented Golcar Cricket Club members with a certificate acknowledging the cheque.

## Cricket club's charity

A SPONSORED dominoes match between teams of men and women at Golcar Cricket Club raised nearly £300 for research into muscular dystrophy.

Mr Howard Palmer, the chairman of the Huddersfield and District Muscular Dystrophy Group, went to the club with his wife, Tina, to receive the money.

The money will help find a cure for the illness which attacks the sufferer's muscles, eventually leaving a person chair-bound and entirely dependent on others.

About 35 people took part in the sponsored match, which the women won by 100-88.

**Golcar Cricket Club see promotion to Section "A" of the Huddersfield Cricket League as their main target this summer. And last night they celebrated the official opening of their Royal Pennine Lounge as part of a £14,000 clubhouse improvement scheme which gives the Colne Valley club facilities to rival the best in the league. Mr Tom Foster (right) a sales director of Websters Brewery, officially opened the new lounge and he is pictured with Golcar club officials (from left) Tony Holmes (treasurer), Alan Livesey (secretary) and president Joe Wood.**
