Players
Yarns (1)
1927

Some discussion arose with regard to the players Yarns: During the past 2 years the players have been asked to contribute 4/- each for Chara Outings & this has been very willingly done by one and all.

It was thought that the heavy expenses entailed by these Chara Outings was too much for the club to bear, even when the players was giving this 4/- so it was fairly & squarely thrashed out by the meeting & eventually resolved to ask the players to contribute 1/6 & ^{this} was carried.

By the
Transexuals /

It was discussed the 2nd x1 players baking part in the Luncheon at Balby & was asked through Mr. Horsfall to meet in the hall on Tuesday evening to thrash this matter out, once & for all.
