

HAVEN OF PEACE AND TRANQUILLITY

By Chris Hanwell

This is my 11th season with Sowerby St. Peter's. This is my first year in the role of League Representative. This involves attending the monthly meetings of the Halifax Cricket League and reporting back to the club committee meetings and, likewise, acting as a conduit by making the club's views known to the league committee.

I think that there is a very good atmosphere surrounding our club. There is a lot of family involvement and social activities for those who want to take part. I think that it's good that there is a lot of junior cricket played to keep the game alive. From what little I know I get the impression that cricket is not played as much in schools as previously.

The ground itself is very well maintained and looks a picture. It is like a haven of peace and tranquillity and a good place to escape from the hustle and bustle of the working week.
