

Mr Chairman & Fellow Members

I'm bringing before you the annual report I think I can say it has been a fairly pleasant though with regard to cricket not quite as successful as last season. We again joined the Huddersfield Association & have finished 6th in the League Table only having gained four points out of a possible 24. We were rather unfortunate in the 1st round of the Summit Cup losing to Millon Church by only 4 runs.

F. Bottomley heads the batting ^{list} with an average of 11.4 he is also top scorer 123 W. Micklethwait heads the bowling with 5.1 R. Sheard has taken most wickets 21.

During the season we handed over to the Soldiers Comfort Fund the sum of £ 2.17.0 as the result of a Charity match held on sat June 27th in concluding on behalf of the retiring committee I wish to thank those gentlemen who have so ably managed the duties of selection committee.

W Wood
