

Committee meeting held 27th Aug '67.

Mr. D. Bowyer reported to the meeting that the Shay club premises were not really suitable, as enquiries had revealed that the club were not experienced in this sort of work, and no tents were available.

It was decided in view of the short length of time available, two recognised restaurant/hotels be contacted as to tents available at a reasonable charge.
viz. Prospect Hall Cleckheaton
Sandal Centre, Club Thornton.
