

1990 - End of an Era

The Annual General Meeting held on 26 November 1990 marked the end of an era in the Club's history. The Club Chairman, J. A. Whitehead, Secretary, D. Hoyle and the Treasurer, E. H. Williams, all stood down to make way for a new generation to take over the running of the Club.

The new Club Chairman, C A Barrett, said that 'He found it difficult to imagine the club without the guidance and involvement of these three officials'.
