

**Bradley & Colne Bridge Cricket Club**  
**Warrenside, Deighton**

At about 2-15 am on Sat 23rd Dec 2006 our chairman Raymond Hawkyard was telephoned to come down to the ground on warrenside as the pavilion was on fire. It appears that arsonists had climbed through the roof and set fire to the building.

The clubhouse is completely gutted and will have to be demolished as only the single brick wall is still standing and is unsafe.

All of our property including kits, nets, wickets, machinery, even umpires jackets, were destroyed to such extent that everything the club had will need replacing

I have started a fund to help raise monies towards the rebuilding and replacement of all that we have lost and if any clubs or individuals would like to help with a donation of any sums no matter how small, we would be very grateful.

Please contact me on 07773897437, or send me an e-mail at [Stephen.ashwell@ntlworld.com](mailto:Stephen.ashwell@ntlworld.com) or any donation can be sent to me at Steve Ashwell, 81 Newsome Road, Huddersfield. HD4 6ND.
