

WELCOME TO LEEDS ROAD

Leeds Road is a fairly 'hidden' cricketing venue. When you arrive, you realise that it is surrounded by houses, bushes, and lots of benches – designed for local cricket-lovers.

The clubhouse offers spectators a nice side-on view of the action.

The changing rooms are housed upstairs and the bar and lounge downstairs.

The scoreboard and tea room are housed within a smart white building close to the main entrance.

Home supporters tend to congregate in front of the building during matches.

Inside, those on tea duty are pretty organised.
