Dear

Peter

Thank you very much for your letter. I shall be delighted to come along to your dinner on 26th January and have made the appropriate diary note.

You will appreciate that the cricket side of life is rather traumatic at the moment!! As a result, your dinner could make a happier diversion, particularly as I find that you are a very friendly "lot" at Booth.

I look forward to hearing from you again later on.

In the meantime, I send you my very best wishes.

Yours

Sincerely  
Tony Cawdry

Dear Mr. Collinge.

I am pleased to inform you that you were successful in the recent National Cricket Association Coaching Award Examination.

Please accept my congratulations. The results have been forwarded to the National Cricket Association Headquarters at Lords.

I hope that the experience and enthusiasm gained on your course enables you to enjoy your Cricket to the full and that you continue to encourage and stimulate the interest in Cricket of all the young Cricketers you have contact with in your roll as Coach.

The National Association of Cricket Coaches would be pleased to welcome you as new members of the Association and a membership form for completion is enclosed. The yearly subscription is £2.00 and members are kept up to date on the Coaching scene through the issue of Association Journals, and the Association holds a weekend Conference each year where Coaches throughout the British Isle come together to exchange views and opinions and listen to lectures from experts on topics related to the game and coaching.
