

## Slaithwaite Cricket Club Charity ball

A SPECTACULAR summer ball was held at Slaithwaite Cricket Club.

Guests to the black-tie event were treated to a sumptuous four-course meal.

They were entertained with live music from a local girl band Back To The Future, and danced into the small-hours at the disco.

All proceeds

raised from the raffle at the event, organised by local community members, went to the Forget-me-not Trust.

Organiser Kathy Garside said everyone had an enjoyable evening.

She wished to thank sponsors, donators and students from Huddersfield Technical College for making the evening possible.
