

FAMILY AFFAIR

Margaret Whippey on being club secretary

I'm from Sowerby originally. It's only two miles away but I guess I'm still a comer-in! Triangle is a really lovely village.

I've been with my husband for 30 years and I've just been dragged into cricket club things through him! My son Kurtis now plays for the senior side and my daughter works behind the bar at the club.

I've been club secretary for five or six years. The main tasks are taking the minutes at committee meetings and dealing with all correspondence.

I also organise the annual club dinner, which is a lot of work. Recently we've staged it at Mytholmroyd Community Centre and we've booked it again this time.
