

DAVE'S BIG DRAW

Graham Hobson on local rivalry

Local rivalry has changed over the years. Gomersal and Liversedge are the clubs we cross swords with most in league and cup.

Dave Hilton recently joined us from Gomersal. He wanted to free himself from the many responsibilities he had at the club. He took 79 wickets in his first season here, including a nine-for! And now, in 2008, we've got drawn against Gomersal in the first round of the Crowther Cup! He's looking forward to that one!

In the past it was Gomersal, Batley and Drighlington and also Hanging Heaton – we had lots of big games against them and seemed to get drawn against them each year in the Crowther Cup.
