

MARRYING INTO THE CLUB

Wendy Kitchen on her role at the club

I'm treasurer of the Sowerby Bridge CC ladies committee. It's all very informal. I sort out all the monies after the girls have done the teas. I record everything in a book and pay out for anything we've bought in. I also work out how much we've made on pop and sweets.

My husband Derek has been at the club for 50-odd years. He's 70 or so now. He was born in Warley and his brother played for Warley. And at the age of seven or eight, Derek scored for Warley. So cricket was in his blood.

He moved on to Sowerby Bridge and when we got married so I married into Sowerby Bridge Cricket Club!
