

WORKING HARD

Wendy Kitchen on club people

My husband Derek has done a lot at the club in his time. He's been a player, bar treasurer and other things. And our son, Russell, plays for the 2nd XI. We brought him down to the club aged eight!

Tim Helliwell is club president and does a lot of work at the club. Duncan Hall is league representative and does wonders with the junior section. He's done so much – it's unbelievable.
