

WOMEN'S OPINIONS

Wendy Kitchen on the club

Sowerby Bridge is a family club and there are some very good people at the heart of the club – for example, Sophia Rowbotham who's the club's social secretary and the lady who sorts out the tea rota.

Our ladies committee is a very informal group. We have a natter and get things done. But there's also a woman on the main club committee – and that's important. We want women's opinions to be heard.
