

# FRIENDLY RIVALRIES

## Duncan Hall on the club

As a club we're trying to build up on sponsorship. This has enabled us, for example, to improve the seating around the ground. Long term I think we'd like to extend the pavilion and have new changing rooms and a new scoreboard.

Our historic rivalries are with Sowerby St. Peter's, SBCI and Triangle. These are historic rather than parochial rivalries. And we're glad when these local teams do well. We want good, strong teams roundabout. It's good for everyone. So it's a very friendly rivalry!

Brian Lawrence and myself are passionate about junior cricket. It's the lifeblood of our club. I'd worry about the club without a junior section. It would be a very short-sighted policy.
