

PARENTS AND PREMISES

David Armitage on the nature of the club

Friday night is a big night at the club. It's junior practice night but it's also a big social occasion with parents in attendance. Now we've got bigger premises we'd really like to hire the pavilion out for social events.

Our players mainly come from the Ripponden and Ryburn Valley area. We've also got a couple of ex-Stainland players. The Beehive (above) used to be the club's pub, as did the White Hart on Rochdale Road, but because we now have our own bar we stay here after games.

I suppose Barkisland and Sowerby St. Peter's are the traditional rivals but since Barkisland moved into the Huddersfield League that rivalry has obviously diminished. And things have changed: we've now got lots of Bradford-based clubs in the league!
