Cricket In Holmfirth

Welcome to the first newsletter of the 2009 cricket season!

Holmfirth currently compete in the Drakes Huddersfield Cricket League.

We would like to invite you to Bridge Fold to see Holmfirth play.

In a highly competitive league, which see's local sides compete against each other in a high standard of cricket, Holmfirth need your support. Why not come down to see us play and enjoy the local sport. Bridge Fold is beautifully situated, and every Saturday see's either the 1st or 2nd XI team take to the field.

After a disappointing opening two games, we are hopeful of a change of form at Clayton West this Saturday before entertaining Skelmanthorpe on the 9th. Last weeks defeat was particularly spectacular, just a couple of runs away from victory.

We would love to see you down at Bridge Fold
