

# EATING AND DRINKING

## Roy Elsworth on club catering

We usually have a tea while we're here. There are sandwiches and cakes but we know from visiting other clubs that the quality of teas does vary around the league.

Some places you get more to eat than at others; and some places are more expensive than others. But in general you can't grumble at the prices that clubs charge for teas.

At Warley they also serve a good cup of tea and coffee.
