

SOCIAL CHANGE

John and Joan Parkinson and Len Gravenor on the village of Northowram

The cricket club is well known in the village. Northowram has grown a lot in recent years, with lots more families and thus lots more junior cricketers for us.

We've now got Under-11s, Under-13s, Under-15s and Under-17s – and we've won a few trophies.

A few years ago you'd know everyone in the village, but not now. There's been a lot of building work but the families who have moved into the village don't mix like before.
