

## ACS Meeting on Saturday, October 25th 2008

This meeting at Huddersfield University will focus on the pioneering work of the Cricket Heritage Project - an innovative project being undertaken by Dr. Peter Davies, with financial support from the Heritage Lottery Fund. During the course of the past four years, Dr. Davies and his colleagues have been collating the history of cricket clubs in the Calderdale and Kirklees area, and interacting with the local cricket community. The aim of this function is to present to members of the ACS the excellent work that Dr. Davies and his colleagues have undertaken and to identify potential areas where the ACS could assist in collaborative research in the future.

The Meeting will take place in the Castle Hill Suite (further details will be sent out before the meeting to those who book places). The cost of attending this function is just £5 - members can also book lunch in a nearby pub or bring their own sandwiches. Booking lunch will involve an additional charge of £5-£10.

- 10.45      Arrival and Registration*
- 11.00      Introduction to the Cricket Heritage Project (Peter Davies)*
- 11.30      Cricket in 19th Century West Riding (Rob Light)*
