

DAVID & VIVIENNE HALL

David is currently club chairman. And Vivienne, a club helper and tea lady, put on a wonderful spread when Shepley CC sponsored one of the recent 'open day' events at the Tolson Museum, where the HLF Cricket Heritage Project exhibition, '180 Not Out: The Development of Cricket in Kirklees' was being staged.

Shepley groundsman Ray Horrocks' sterling work on the Marsh Lane square was reflected by the award of the Greenwood Trophy, which goes to the club with the best pitch and amenities. It was only the second time in the competition's 41-year history that Shepley have won, their previous success coming back in 1972. Horrocks is pictured, right, with Shepley secretary David Hall
