

# BUTCHERS AND BAKERS

## Sue Amos and Christine Spence on ordering food

One person does the buying each week and we also ring through to our local baker. We also have a good butcher in Birkenshaw who bakes his own pies and supplies us with meat.

He delivers for both Saturday and Sunday matches. Sometimes we have three games to cater for over a bank holiday weekend!

Eight dozen pies, 30 dozen teacakes – those are our kind of weekly orders!
