

SAFE AND FRIENDLY

Sue Amos and Christine Spence on family connections

We're both widows so it's very good for us to be involved with the club. Coming to cricket is an important part of our life.

East Bierley is a safe and friendly club and we feel at home here. It's also a main focal point of the village.

We've both got children who've played for the club. We started catering for the Under-15s breakfasts...and we're still here!
