

MAKING MONEY

Sue Amos and Christine Spence on the financial side

Teas are a good fundraiser. They're a big part of what we do here. The catering side really helps the club.

Cynthia Springthorpe is chairman of the Ladies Committee. Whereas in the past we might have kept the profit we made on teas, today we just hand it all over to the club. We're not bothered what it's spent on – we're just happy to support the club.

If we need anything for the kitchen we just approach the main club committee – and hopefully they'll oblige!
