

# MAKING MONEY

Sheila Pettengell on catering and fundraising

We do 36 sandwiches each Saturday plus sweets.

We have a tea rota and the tradition is that the person on duty supplies the cakes that week. There are nine ladies on the rota in all – with two doing each Saturday.

The club teas are a good fundraiser. I'm not sure how much they make but they do contribute to club funds. At junior games we also make quite a bit of money – selling sweets and other things to parents and children.
