

# BUSY DAY

## Sheila Pettengell on the sport she loves

I like cricket as a game. I've always watched it and my family has always been a cricket family. I watch the game in between making and serving the food. I keep tabs on things, definitely!

I also remember the old ground – Old Laithe – at Bog Edge. I used to go there in my teens!

**Old Laithe**

I enjoy being involved at the club. We do the food, wash up and then count the money! I live next door to the ground so it's very convenient for me.
