

# GOOD SET OF LADS!

## Bob Edinburgh on Cartworth Moor folk

Running a cricket club high up above Holmfirth is not a straightforward job! But we've got some great members and I think we all love the setting. It's wild but we love it! We've got a good set of lads at the club and everyone's got a great sense of loyalty.

Steve Spooner is a great guy at our club. He put invaluable time and effort into the new pavilion. We were lucky to receive financial help from the Common Good Trust and Kirklees Council.

These grants were great and really encouraged Stuart Clayton in his work as club secretary.

I actually injured myself while I was helping with the new pavilion. I was carrying some concrete panels!
