

CLUB SKIPPER

Matt Jones on his involvement

I'm 1st XI skipper at Stones. I'm 23 now and I first became involved when I was 15 so that means I've been here eight years.

I live at the top of Rishworth. I can actually see my house from the pavilion, so this is definitely my closest club.

I've been 1st XI captain for seven years. The facilities are good up here – the nets, the square, we've got two extra tracks, and the pavilion extension.
