

FANTASTIC VIEWS

Matt Jones on Swift Cross

Swift Cross is a fantastic and beautiful place to play cricket. It can get pretty rough and windy but our swing bowlers love it! And sometimes there's no point using bails!

The moorland views are fantastic: from the right - Rishworth Moor, Pike End, Dean Head, Norland Moor and then over to Halifax. Looking out from the pavilion you can also spot the M62, Wainhouse Tower and a nearby windmill.

We've got work to do on the outfield and the drainage. There's a lot of clay up here and it doesn't drain very well. But the square is great – we have 10 wickets.

I feel very loyal to Stones – it's a lifetime association.
