

TWO JOBS

Nicola Sutcliffe on her involvement

I'm club secretary and also one of the tea ladies.

My son plays for the Under-15s and scores for the Sunday Section team. Scorers get paid £15 if they do a senior match and £5 if it's a junior game. My son enjoys being a scorer and recently attended the league course on scoring at Blackley CC.

In junior cricket there are some different rules that scorers need to be aware of.
