

SPARTAN DAYS

Sheila Senior on being involved

I've been involved at the club for 30 years all told – through Phil, my husband. And that means I've been doing teas for 30 years also.

The facilities were adequate in the old pavilion. We had electricity but it was all a bit Spartan.

Phil was very much involved in the planning of the new pavilion; it's very nice and it's 13 years old this year. My son, Glenn, plays for the 1st XI.
