

FAMILY BUSINESS

Averil Littlewood on retiring from teas

I did teas at the club for 35 years between the age of 17 and 52, but I've retired now! I was on duty for 1st XI games – so every other Saturday.

My husband Ken played for Cumberworth (above) and also helped to build the new pavilion. And my son Ashley also played here. For these reasons it was natural I got involved on the teas side.
