

CRISPS AND SWEETS

Averil Littlewood on helping on the catering side

Doing teas was a full day. We all helped voluntarily. It was almost a duty, something we'd been brought up to do, and also quite enjoyable.

We got our produce from the village shop. Teas made money and we donated our profits back to the club.

We also made a profit on crisps and sweets – local kids got to know we sold them and would come along.
