

TOP GUY!

Bob Haigh on Willie Meech

Willie Meech has been a key person in the history of this club. He got back involved recently and is the kind of bloke who does what has to be done.

The winter of 2007-8 was pretty traumatic. But Willie is the kind of guy who can find you a tea lady, a groundsman, a bar manager and a raffle ticket-seller. He's that kind of guy.

I'm still a keen supporter of the club but Willie has been amazing.
