

TWO SPECIAL LADIES

Bob Haigh on the new club buildings

It's been a huge effort to erect the new buildings. Both Kirklees and Kirkburton Parish Council have been a massive help to us. Two councillors in particular have been invaluable – Margaret Brooke and Christine Smith.

They've been absolutely fantastic and a plaque on the front of the new clubhouse says an official thank you to them.

The tea hut is a portakabin. The changing rooms are in the middle – they used to be the main club room. And the new bungalow houses a bar and new club room.

There's lots going on – every Tuesday, for example, we have a darts and dominoes team using the bar.
