

# On 27 June 2008 Dr Peter Davies, leader of the Cricket Heritage Project, spoke about the project at the Illingworth St. Mary's CC Sportsman's Dinner

## Recent Developments

The latest stage of our development plan was to carry out improvements to the entrance to the ground including tarmacing the entrance apron at a cost of £5,500. This work was done rather earlier than we had originally planned due to the existing surface breaking up and becoming badly rutted and waterlogged. Further tarmacing is an option in the future.

We have already raised over £2,000 towards the cost but this still leaves a shortfall of over £3,000. We are indebted to those members who have very generously loaned the outstanding amount to the club on an interest free basis and we are working hard to repay these loans at the earliest possible date.

## 125 Year Celebrations

Our next major milestone is the celebration of the Club's 125 year anniversary in 2009. As part of that celebration we are aiming to produce a 100 page plus history of the club which will be published in Spring 2009.

We are busy gathering material for inclusion in what is hoped to be a high quality production

and if anyone has any photographs, news cuttings or other memorabilia relating to the club over its long history please have a word.

We also need the support of advertisers and patrons to help defray the sizeable production costs and if you can help in any way please have a word with Andrew Smith.

## Forthcoming Fund Raising Events
