INDOOR NETS

The indoor nets at Mytholmroyd Sports Centre are booked for practice on Thursday evenings 7pm - 8pm up to and including 26th March. Cost is £1 per session.

PRACTICE

The usual Tues. and Thurs. evening outdoor net practices will be running - weather permitting from April onwards. Can all intending playing members please try to attend so that the selection committee are aware of your availability to play.

JUNIOR TEAMS

We are also running U15 and U17 teams again. The managers of the teams are as last year David Normanton U17's and Stuart Milner U15's. Please let them know if you know of any junior who is wanting to play. All juniors reading this please encourage your friends to play so that we can have full teams every week.

ALUMINIUM CANS

The club is now collecting aluminium cans to raise money for club funds. The cash return works out at approx. 1p per can. Your cans can be brought to the club. The more cans we save the more money for Stones C.C. Can all members make a big effort as regards this easy way of helping to raise a bit of money for the club.

A black bin liner full of crushed aluminium cans can be worth about £3.50. Please contact David Normanton for further information.

Remember aluminium cans will not stick to a magnet.

FUND RAISING

SUMMER DRAW

Our usual summer draw tickets will shortly be available from Ian Chaplin
